## BUSINESS PROFILE

### IRRESISTIBLE HEADDRESSES

Radiate elegance with a dazzling tiara, feather whatnot or veil, be it for a wedding, going to Ascot, a ball, a ladies night, gala evening, or just a treat. Benefit from the attention and experience of a family business who will design and make your order. As a mother-daughter team, they design and make tiaras, hair ornaments, veils, headdresses, cocktail hats, fascinators, little hairgrips and matching jewellery. They specialise in bridal, evening and all occasion headwear.

Each item is original and stunning, with pride taken in its design, quality and originality. Products are made from the finest materials using semi-precious stones, cultured and fake pearls, feathers (which we can dye to match any swatch), fabrics, flowers, crystals, diamantes, beads or virtually anything your heart desires. We make veils to your exact length, requirement and colour. You can choose from a range of over nine hundred existing 'Irresistible' designs, or you can commission something especially of your own liking.

**HAVE YOU GOT A PERSONAL INJURY?**

If you've got cause for complaint, we can help to ease your burden by building your legal case for you. We'll start by listening to your story, meeting when and where you choose.

As accident and personal injury investigators, we will then research the scene of the incident, look at Police reports, Health & Safety, and medical issues. Your case will then go to the best legal practitioners who will endeavour to fight and succeed in your personal claim. This is all about your needs, so let us put you in control!
