All businesses are required to keep their books and accounts up to date, but unfortunately many leave this key activity until too late. When faced with producing annual accounts or VAT returns, urgent and usually costly correction is required.

**Would you like to have.....**  
 cost-effective bookkeeping,  
 more efficient accounting,  
 and better financial control.....?

If the answer is YES, let us see if we can help you.

Business Works Consultancy (BWC) specialises in SAGE Accounting and Forecasting. No matter what your size of business, SAGE, supported by BWC, has a range of solutions that are right for you.

**What can we do for you?**

- Installation of SAGE accounting packages and providing training, maintenance and backup support
- Supporting you with bookkeeping and accounting services, VAT returns, PAYE etc
- Profit & Loss, Management Accounts & Credit Control
- Forecasting & Budget Analysis

**Looking for personal skills training that recognises your working constraints?**

Leaving you free to do what you're good at

**Who are we?**

BWC was formed in 1999, has built up a base of some 20 clients, and is actively providing services to a number of SME's in the Surrey area. We are a practice of qualified professionals able to provide services from as little as half a day per month and can manage your books and accounts on-site or at our offices in Horsley. Each client has a service matched to his or her needs.

**Why choose us?**

BWC offers its clients a tailored and personalised service, provided by experienced professionals. By outsourcing activities to BWC you are able to release time for yourself to expand or better manage your business. The rewards are reduced stress on yourself and family, being prepared for a tax audit or VAT investigation and a better relationship with your accountant!

**Why use SAGE?**

SAGE is a FTSE 100 company, so when you buy a Sage package, you have the reassurance that your investment is future-proofed. SAGE offers accounting solutions for all sizes of business as well as financial forecasting software and being well known by many accountants, you can benefit from lower fees.
